SCHLOSS OTTERSBACH CATERED BY TOM RIEDERER

„Vicarage St. Andrä“ by Katarina and Tom Riederer
In September 2014 Katarina and Tom Riederer have fullfilled their lifelong dream with opening their culinary hideaway at the Sausal Wine Road (South-Western Styria) „Vicarage St. Andrä“.
The vicarage includes a fine restaurant for up to 26 guests and six charming rooms - an oasis for palates.

„Not according to a recipe - but to the feeling!“
Tom Riederer is known for his polarizing and creative kitchen line. There are no classic menu cards. The kitchen team creates a new menu from week to week. Katarina Riederer knows the perfect wine to offer out of 500 positions in the wine cellar, half of them organic-, biodynamic and orange wines. In the selection of products, Tom prefers to work with producers who are located in walking distance from the restaurant. The private garden herbs, vegetables and salads are grown and harvested fresh daily.

Explore the vineyards and take some knowledge along ...

Take the opportunity and explore the vineyards of Southern Styria with the modern GPS signal that will guide you through the vineyards and will provide you with detailed background information of the unique soil profile of our region.

Starting point is one of twelve wineries at the wine road of Southern Styria and the wine road of Sulmtal-Sausal, who are members of the project „terroir erleben“. At each point you will find a detailed description of the unique soil profile, which explains the exciting differences and characteristics of each individual location. Highlight of each GPS guided tour is indeed the visit of one of our „terroir erleben“-wineries at the end of your hiking tour.

DIE WEINBANK

It is the rhythm of life in Southern Styria, which sets the pace here. Come to taste homeland and the idyllic village feel at 3.0 standard. Enjoy the Weinbank with hosts Gerhard Fuchs and Christian Zach in their cosy gem.

The ambitious duo has created the ideal combination of a country inn, fine-dining restaurant and wine bar under one roof in the quaint village of Ehrenhausen. Fuchs is one of the best chefs in the country, and with his long term top-sommelier Zach, they perform everything with true passion, supported by the outstanding winemaker Manfred Tement. A true South Styrian classic with endless cellaring potential.

One genuine highlight includes personalised vaults for guests to cellar and mature their own wine gems.

6:00 pm	Departure to Kapfenstein

WINERY NEUMEISTER

The Neumeister Winery is located in Styrian Volcano Country, in the village of Straden in Südoststeiermark (Southeast Styria).

Fruit from a total of 36 hectares is vinified: 31 hectares of estate fruit and five hectares from contracted grape growers. The varietal assortment includes the classic Styrian white wine varieties Sauvignon Blanc, Gelber Muskateller (Muscat Blanc à petits grains), Weissburgunder (Pinot Blanc), Grauburgunder (Pinot Gris), Morillon (Chardonnay), Welschriesling and Traminer (Gewürztraminer). The cool climate red wine varieties Zweigelt and Pinot Noir complete the assortment.

Several passages through the vineyard at harvest and manual selection of only physiologically ripe grapes into small 20 kg crates ensures that top quality fruit reaches the crush pad.

The vinification facility was designed to employ the principles of gravity and can abstain from the use of pumps for the movement of must and wine. Extended maceration duration is practiced with all varieties to enhance aroma intensity and length. Gentle vinification, spontaneous fermentation and prolonged yeast contact lend further complexity to the Neumeister wines.
